

# Introducing Automated Garbage and Recycling Collection to the Village of Clive

Begin using your carts Tuesday September 12, 2023

## WHAT IS AUTOMATED COLLECTION?

Automated garbage and recycling collection is done by using wheeled carts that garbage bags or recyclable material are placed in. Collection vehicles equipped with an automated arm controlled by the vehicle driver picks up the cart and dumps the contents in the truck.

## WHAT GOES WHERE?

**BLUE RECYCLING CART:** Material is reasonably clean and placed loosely in the cart

- Intended for clean paper, plastic and metal products. Some examples include:

Cardboard

Clean Paper

Shredded Paper

Beverage Containers

Hard Plastics

Aluminum & Tin Cans

**BLACK GARBAGE CART:** General Waste is bagged (kitchen catcher bags or standard sized garbage bags)

Double bag any animal feces or dusty materials

- See below for examples of acceptable and unacceptable items for the Black Garbage Carts

No large electronics or appliances

Mixed Packaging

No Oversized Items

Single-Use Plastics

No Automobile Waste

Lotions and Toothpaste Tubes

No Household Hazardous Waste

## PROPERTY OWNERS RESPONSIBILITY

- The carts are assigned to the property – not a person, (leave carts behind when you move)
- Write your street address on the cart with a permanent marker
- Take note of the serial number
- Properly place the carts (in the front by the curb or back alley) for collection
- Keep the carts clean and secure between collections

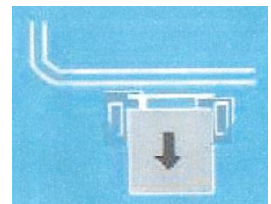

## **PLACING YOUR CARTS**

- Ensure the lid is closed completely
- **Your collection location will remain the same**
  - If it's currently from the street, please place your carts on the street for collection
  - If it's currently from the alley, please place your carts in the alley for collection
- Place your carts for collection by 8:00 am on Tuesdays, every other Tuesday for recycling

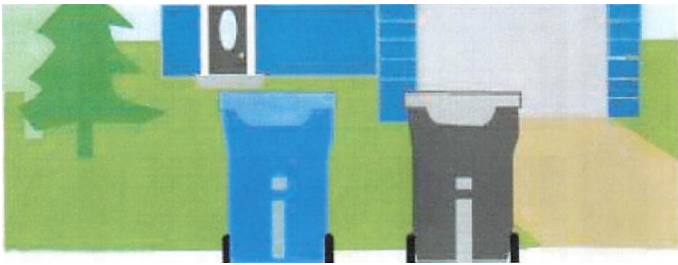

**PARK IT** – The cart should be on the street with the wheels against the curb

**POINT IT** – Point the cart so the arrow points to the centre of the road

**SPACE IT** – Give at least two metres (two arms lengths) of clearance on all sides

If you have front street pickup

If you have back alley pickup
