HIGHLIGHTS OF THE REGULAR COUNCIL MEETING
April 28, 2025

2024 Financial Statements

Council reviewed the draft 2024 Financial Statements prepared by auditors Seniuk and Marccato. The report indicated that the Village of Clive has a moderate surplus in its municipal expenditures, assets, and revenues. Council accepted and approved the draft report as presented.

Mass Notification System

Council reviewed the results of the Mass Notification System survey. The survey showed that 60% of respondents were interested in the Village of Clive using such a system, including information about its associated costs. After discussion, Council decided not to move forward with implementing the system at this time. Instead, they have asked Village administration to bring forward a revised proposal for consideration during the 2026 budget deliberations. Council thanks all participants for their valuable feedback and input.

2025 Paving Program

Council awarded the tender for the 2025 Paving Program to TJ Paving Ltd. for $453,605.50 (excluding GST). The total estimated cost of the project is $556,186.05 (GST excluded). This paving program aims to maintain and repair roadways in the Village of Clive over the next five years.

2025 Public Works Week

Council has officially declared May 18–24 as Public Works Week. This year's theme, *"People, Purpose, Presence,"* celebrates the core values that inspire public works professionals to serve their communities every day. Citizens are encouraged to join representatives from the American Public Works Association, Canadian Public Works Association, and various government agencies in events and activities honoring the dedication of public works professionals, engineers, managers, and staff. These individuals play a vital role in protecting public health, safety, and overall quality of life.
