General Information

- Loads must be delivered so that the waste can be sorted into the appropriate containers, and household waste must be kept separate from other waste products – loads that cannot be easily separated may be refused or subject to additional fees.
- The Prentiss Transfer Site accepts shingle loads – tipping fees start at \$40.00 minimum and increase to \$75.00 per tonne for CLEAN SHINGLE LOADS. **Mixed or Contaminated loads may not be accepted or subject to additional fees.**
- The County of Lacombe now offers an AG Plastics Recycling Program – please contact the Lacombe County Office for more details. Twine bags are available at all LRWSC Transfer Sites.
- **Prohibited Waste (All Transfer Sites) – carcasses, bio-medical waste, grain, seeds, manure, feed, hay, straw, explosives, hot burn barrels, asbestos, radio-active material, creosote treated products and asphalt.**

Satellite Transfer Sites

Alix/Mirror, Bentley,
Eckville and Spruceville

Accepted Waste – All Satellite Transfer Sites

- Household waste(compact)
 - Residential wood, metal, and dry rubble (only quantities less than 499 kg accepted)
 - Batteries, propane tanks, and automotive filters
 - Small loads of silage plastic
- ADDITIONAL ITEMS ACCEPTED
- Alix/Mirror Transfer Site – Twine bags & E-Waste
 - Bentley Transfer Site – E-Waste Only
 - Eckville Transfer Site – Twine bags, E-Waste and White Goods (with prepaid sticker from the Town of Eckville Office)

Waste Not Accepted at Satellite Sites (Must be taken to Prentiss Transfer Site)

- White goods (fridges, stoves, dishwashers, hot water tanks, water coolers, washers & dryers, deep freezers and air conditioners) – *Only the Eckville Transfer Site will accept white goods that possess a prepaid sticker.
- Wood, metal, or dry rubble loads in quantities over 499 kg.
- No dry rubble or wood loads will be accepted from commercial contractors.
- Used oil and liquid paint.
- Any waste that in judgment of the site operator should be rejected by reason of unknown content that may be a hazard, or type of material, etc.

Transfer Site Operator Job Duties

The site operator is there to ensure that all waste is disposed of in the proper place.

Ensuring the safety of the site operators is essential and to prevent staff injuries, we have asked them to refrain from assisting the patrons unload.

The operator job duties are to manage the burn pit areas, change bins, direct the public to the proper areas, and keep the site clean.

The site operators have been asked to ensure that:

- White Goods will only be accepted at the Prentiss landfill site, or at the Eckville Transfer Site (prepaid sticker required)
- Loads over 499 kg (anything over ½ ton load and at the site operator's discretion) must be taken to the Prentiss Transfer Site.
- Under no circumstance shall site operators be allowed to remove safety pins for the drivers.
- Operators will not assist patrons in unloading of burning barrels.
- Patrons will be responsible for opening and closing their own end gates.

If you have concerns with this policy, please call Administration 403.782.8970
