

HIGHLIGHTS OF THE REGULAR COUNCIL MEETINGS JULY & AUGUST 2026

Municipal Siren

Following a resident's presentation on weather emergency events and request to have a municipal siren or outdoor warning system installed to alert Clive residents of emergencies, Council directed administration to research and report to Council on the use, protocols, and feasibility of installing a municipal siren or outdoor warning system in Clive.

Animal Enforcement

Another resident shared his experience of his neighbour's ongoing animal infractions and the lack of enforcement. Council directed administration to investigate and report on more effective animal bylaw enforcement options which were considered and it was decided to proceed with issuing a Provincial Violation Ticket for failure to license dogs and to continue coordinating with the complainant to gather sufficient information and photographic evidence regarding other potential infractions, as required to support further enforcement action and any resulting court proceedings.

Clive Athletic and Agricultural Society Solar Project

The secretary of the Clive Athletic and Agricultural Society (CAAS) presented the Clive arena and Clive Memorial curling rink solar project overview, its community benefits, CAAS' funding strategy and requested a letter of support and financial contribution to the project. Council decided to provide CAAS with a letter of support and approve a contribution of \$10,000 to their Solar Panel Project, conditional upon the project receiving Community Facility Enhancement Program (CFEP) Large Grant funding.
