Notice from ELITE TREASURE CHEST

The Elite Treasure Chest is undergoing change, as you have likely noticed! The owner is moving all the warehouses out. Therefore, we are asking the community's support to help with this transition. The owner has graciously given us some time to vacate all the warehouses in a couple of months - #1 is empty now closest to the street.
We can no longer take in most furniture; perhaps some end tables, small dressers, small tables, or shelving is about all we can handle at this time.

Of course, we still need donations of clothing, small kitchen appliances, dishes, decorator items, and household items to replenish the things being sold all the time. Eventually the hope is to move elsewhere in Clive.
All the furniture in warehouse 3 must go. Please come, have a look; we are open to offers.
Meanwhile *we thank everyone for taking an interest in the Elite Treasure Chest and supporting us through this change* in any way you are able, as we support the community. YOU are the backbone of the store and we thank you again and again for your support!
